

Our Lady's R.C. Pupil Premium Strategy Statement

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Part A: Pupil premium strategy plan

Statement of intent

At Our Lady's, we recognise that every child with his/her individual needs and gifts is unique and special. We believe that each child is made in the image and likeness of God, and given a special mission to be a 'change-maker' in the world. We target the use of Pupil Premium Grant funding to ensure that our disadvantaged pupils receive the highest quality of education to enable them to become active, socially responsible citizens of the future in their family, local community and the wider world. All members of staff (teaching and non-teaching) as well as governors accept responsibility for 'socially disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs within a caring Catholic environment. We recognise that disadvantaged children can face a wide range of barriers which may impact on their learning.

Carefully tailored provision from school helps to remove barriers to learning, enabling each child to be able to reach their potential. Evidence based strategies from the Education Endowment Foundation (EEF); ensure that the best approaches are implemented to enable the best possible outcomes. These programmes are regularly reviewed in order to ensure that they are having the best possible outcomes for the children, and where necessary, changes may be made during the course of the year.

Over the years, we have found that the main barriers to learning have included:

- Poor language and communication skills on entry to school (Reception) due to missed pre-school provision in the Covid 19 pandemic
- Social and emotional factors
- Poor subject knowledge
- Limited experiences outside the classroom
- Additional English and Maths needs on entry into school
- Punctuality and attendance is below whole school averages.
- Pupils attainment on entry to the school is below national expectations for the majority, and significantly so in some instances.
- Identified learning needs from other professionals (TESS/ SALT/ OT)

We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the disadvantaged funding to support any pupil or groups of pupils Our Lady's has identified as being disadvantaged.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Parental learning support (reading at home, homework, attendance at school activities, experiences, ability to manage behaviour)
2	Poor social and communication skills and vocabulary
3	Poor subject knowledge
4	Growing number of SEND children entering school who have social and emotional needs
5	Growing number of SEND children entering school who have cognitive needs
6	Limited experiences beyond the classroom – Cultural Capital & memorable experiences for all children

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria	
Children demonstrate improved social and communication skills	Boxall Profiles indicate positive progress made from baseline and termly assessments	
	Emotionally Friendly Schools award to be achieved	
To close the GLD gap between disadvantaged and other children in EYFS	GLD gap is closed between disadvantaged and other children.	
Pupils accessing intervention programmes make at least expected progress	SEN children to make progress and be reviewed termly	
PP pupils to reach our whole school benchmark for attendance.	Attendance of PP cohort 97.5% +	
Progress in Reading	Continue to achieve above national average progress scores in KS2 Reading	
Progress in Writing	Continue to achieve above national average progress scores in KS2 Writing	
Progress in Mathematics	Continue to achieve above national average progress scores in KS2 Maths	
Progress in Phonics	Continue to be above national average expected standard in Phonics Screening Check	

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £6776.72

Activity	Evidence that supports this approach	Challenge number(s) addressed
Improve attendance figures among PP students to + 97.5%- through Attendance Officer support and nurture provision	EEF research suggests that parental engagement has a positive impact on average of 4 months additional progress. The EEF also reports that it is crucial to consider how to engage with all parents to avoid widening the gaps.	1, 2,3, 4, 5, & 6
Attendance SLA- £2084		
Nurture support for disadvantaged pupils; including Forest Schools interventions	School achieved Nurturing School Award in recognition of excellent nurture provision. All pupils are assessed using Boxall profile and targeted interventions planned to support all pupils.	2, 4, 5 & 6
Price for forest schools training and accreditation- £1194

Direct pastoral support for low attendance PP students from our Nurture Leader to include Breakfast club	DFE Report Supporting the attainment of disadvantaged pupils: articulating success and good practice:	2,4&5

Develop cultural capital of PP Pupils through supporting trips and extracurricular involvement-e.g. Residentials,extra curricular clubs .	DFE Report Supporting the attainment of disadvantaged pupils: articulating success and good practice: We support: - Educational visits - Instrumental music lessons - After school clubs - Swimming - Residentials - School Trips - 1-1 support to allow access	2, 4, 5 & 6
Y5 Latics Literacy and additional weekly sporting lesson	The EEF suggests that planned extra-curricular activities which include short, regular, and structured teaching in literacy (either tutoring or group teaching) as part of a sports programme, are more likely to offer academic benefits than sporting activities alone. Additionally, the sports sessions promotes mental wellbeing by learning new skills and helps to tackle the UK obesity crisis.	2, 3, 4 & 5
Wake and Shake Activities & the Daily Mile	We encourage active learning to stop the obesity crises. Latics provide enjoyable fitness activities for pupils	2, 4 & 5
£1000 for the mapping of the school	Within the Geography curriculum we also offer opportunities for children to use our mapped surroundings to complete various orienteering tasks	
Wider Opportunities – Brass Lessons (whole year group SLA) £2339	The Education Endowment Foundation rates arts participation as +3. Arts participation approaches can have a positive impact on academic outcomes in other areas of the curriculum. Secondary pupils have continued to play musical instruments at secondary school and some have passed graded music exams.	2, 3, 4, 5 & 6
Extra-Curricular Clubs supporting a range of needs and offering a range of provision: - Mindfulness, - Fitness - Local History - Eco - Choir - Engineering Including opportunity for performances and enrichment visits	Extra curricular clubs allow pupils to excel in areas of strength and as such improve their mental health. The EEF refers to extra curricular clubs supporting the 'character' of pupils. That by nurturing a set of attitudes, skills and behaviours – such as self-control, confidence, social skills, motivation, and resilience – that these skills underpin success in school and beyond. These 'social and emotional skills', 'non-cognitive skills' or 'essential life skills' include the ability to respond to setbacks, work well with others, build relationships, manage emotions, and cope with difficult situations. There is growing evidence that these skills are important to children's later outcomes.	2, 4 5 & 6
Uniform, food, essentials provided for disadvantaged pupils	Our Lady's have provided and continue to provided support for families in times of hardship. The updated uniform policy states how school can support families through the launch of the swap shop which will be held throughout the school year	1

School part fund educational visits for vulnerable pupils; all children are able to access experiences beyond the classroom	The Education Endowment Fund has found that essential life skills (or 'character') are important in determining life chances and can be measured in a robust and comparable way First-hand opportunities have been invaluable for children and build on cultural capital. Some pupils never leave the immediate area so the experiences are key.	1&6
	100% of our children have rich cultural capital opportunities.	

Total budgeted cost: £79172.19
