"Learning and loving together; we grow with Jesus"

Our Core Values

During Summer 2020 workshops, we revisited both our Mission Statement and Core Values. This involved everyone in discussion, reflection and prayer about the values, Mission and Aims of our Catholic school. There was a calling to all to re-commit to our purpose and to work together to understand our roles and responsibilities as part of Our Lady's

During the workshops, the feedback from parents, and the views expressed by the children during sessions played a prominent role in the decisions we made.

Our Mission Statement is:

"Learning and loving together; we grow with Jesus"

The Core Values that provide the foundation for that Mission are:

Faithful

Positive

Safe

Nurturing

Forgiving

Fair

Respectful

Honest

NURTURE

The School's six nurturing principles sum up our practice and theory. They underpin the context, organisation and curriculum.

1. Children's learning is understood developmentally
2. The classroom offers a safe base
3. the importance of nurture for the development of wellbeing
4. Language as a vital means of communication
5. All behaviour is communication
6. The importance of transition in children's lives

Our Mission is represented by this design. As with the statement itself, the logo was developed by all stakeholders, with the children in particular providing the symbolic ideas of **growth – the tree, love – the hearts and Christ – the Cross**

1. Introduction

This plan is based on the [contingency framework for managing local outbreaks](#) of COVID-19, provided by the Department for Education (DfE).

We will only implement some, or all, of the measures in this plan in response to recommendations provided by our local authority (Wigan LA), director of public health (DsPH), Public Health England (PHE) health protection team or the national government.

It may be necessary to implement these measures in the following circumstances, for example:

- To help manage a COVID-19 outbreak within the school
- If COVID-19 infection rates in the community are extremely high, and other measures have failed to reduce transmission
- As part of a package of measures responding to a 'variant of concern' (VoC)

2. Shielding

We will adhere to national guidance on the reintroduction of shielding, which would apply to those on the [shielded patient list \(SPL\)](#).

We will speak to individuals required to shield about additional protective measures in school or arrangements for home working or learning.

3. Other measures

If recommended, we will limit:

- Residential educational visits
- Open days
- Transition or taster days
- Parents coming into school
- Live assemblies or performances

4. Attendance restrictions

Attendance restrictions will only be recommended as a last resort. If recommended, we will implement the measures in this section.

4.1 Eligibility to remain in school

In the first instance, we will stay open for:

- Vulnerable pupils
- Children of critical workers, e.g. Front Line Workers
- Reception, Year 1 and Year 2 pupils

If further restrictions are recommended, we will stay open for:

- Vulnerable pupils
- Children of critical workers

4.2 Education and support for pupils at home

All other pupils will be required to stay at home and will receive remote education.

We will aim to deliver remote education that meets the same quality and quantity of education that pupils would receive in school, as outlined in our Blended Learning policy on our website

The school will provide lunch parcels for pupils eligible for benefits-related free school meals while they are not attending school because of COVID-19 isolation guidelines.

Parents will be informed when they can collect them from school.

4.3 Wraparound care

We will limit access to before and after-school activities and wraparound care during term time and the summer holidays to those that need it most.

We will communicate who will be eligible to attend once the restrictions are confirmed.

4.4 Safeguarding

We will review our child protection policy to make sure it reflects the local restrictions and remains effective.
